ENDLESSNESS

SECOND CALL FOR PAPERS

ANGLOPHONIA: ENDLESSNESS

International Anglophone Conference for Young Scholars

University of Zagreb

Faculty of Humanities and Social Sciences

11-13 May 2023

ENGLISH STUDENT CLUB X.A.¹ is pleased to announce the sixth International Anglophone Conference for Young Scholars **ANGLOPHONIA: ENDLESSNESS**, which will take place **FROM 11TH TO 13TH MAY 2023** at the **FACULTY OF HUMANITIES AND SOCIAL SCIENCES IN ZAGREB**, Croatia. The conference will provide a platform for young scholars (BA, MA and PhD students, graduates and scholars who have recently obtained a PhD) to discuss their works in a friendly, yet professional environment. The aim of the conference is to connect young and promising researchers who share an interest in all areas of Anglophone studies by providing them with an opportunity to exchange information, ideas, and views.

The theme of the conference will be **ANGLOPHONE STUDIES** with an emphasis on concepts such as **endlessness, infinity, perpetuity, time(lessness), duration**. You are also invited to think more broadly. The inspiration for this year's conference was, in fact, Neil Gaiman's comic book series *The Sandman*, where one can find The Endless, anthropomorphic representations of powerful natural forces - Destiny, Death, Dream, Destruction, Desire, Despair, and Delirium. The topic is broad, so just be creative! The areas covered include, but are not limited to:

- Anglophone literature, as well as other art forms
- Anglophone cultures
- Translation studies
- Linguistics
- TEFL
